THE NEW ADMINISTRATION.

Important Speech of President Johnson.

His Reply to the Indiana Delegation.

Treason the Highest Crime Known in Law.

The President Opposed Equity to Disunion and Insurrection, &c., &c., &c.

Our Special Remarks.

The President's reply to the Indiana Delegation, delivered at the White House, April 22, 1865, was one of the most important of his administration.

He declared that the Union was not a mere geographical expression, but a political and moral entity.

He stated that the Constitution was the foundation of the Government, and that it must be preserved at all costs.

He declared that treason was the highest crime known in law, and that it would be severely punished.

He stated that the President would not recognize any Government that was established in rebellion against the United States.

He declared that the President would not allow any State to secede from the Union.

He stated that the President would not allow any person to take the oath of office to a Government that was established in rebellion.

He declared that the President would not allow any person to take the oath of office to a Government that was established in rebellion.

He stated that the President would not allow any person to take the oath of office to a Government that was established in rebellion.
